

How it works:

Crush Selection

Select your friend or friend-of-friend from Facebook to add as a crush.

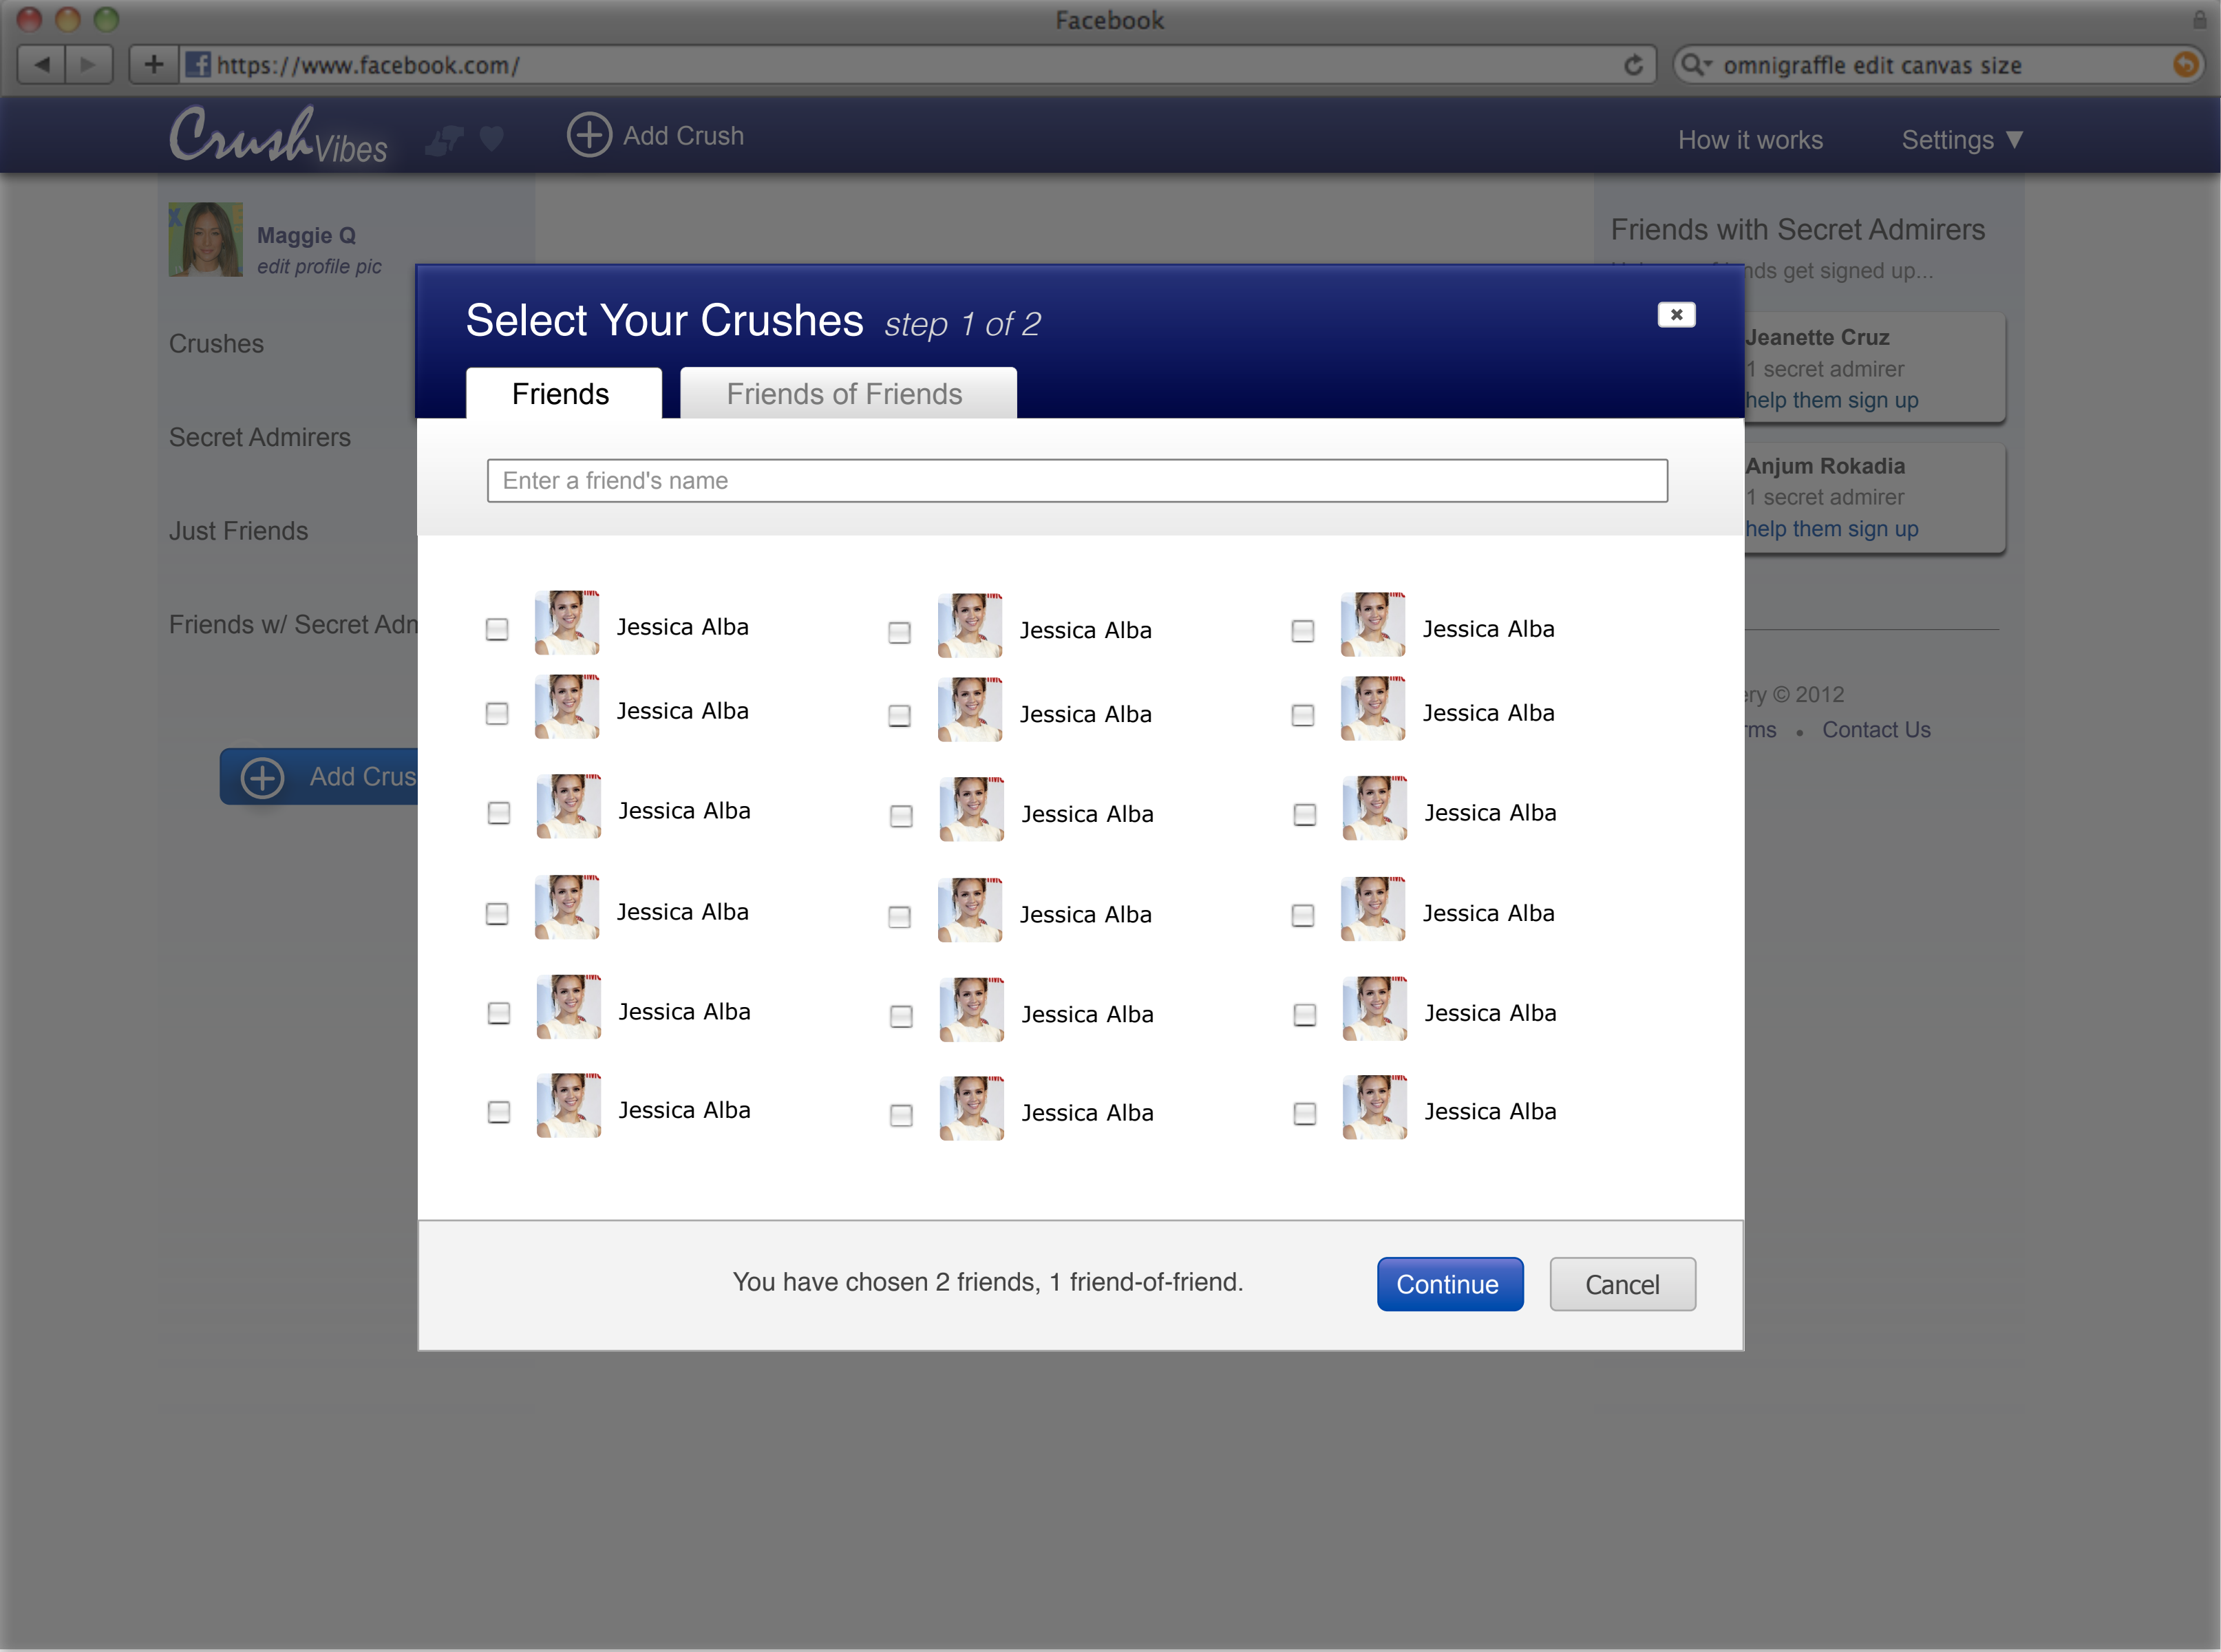

Crush Lineup™

Your crush receives a line-up of potential friends for consideration. You are *anonymously* inserted into that line-up. Your crush won't know it was from you.

Match Alert

Your crush selects line-up friends that they're attracted to. You're alerted if you're picked or not. *Your crush remains a secret either way.*

Crush Lineup

step 2 of 2

One of these line-up members is your secret admirer! Add any as a crush, and we'll let you know if the feeling is mutual. *Note: All crushes are anonymized. Your added crushes receive a similar lineup. We hide the identity of the person who initiated the crush, even if there is mutual interest (through a proprietary communication mechanism).*
